Protectors & Toppers

Mattress, Pillow and Duvet Protectors

A protector adds a hygienic layer of comfort to your mattress, pillow or duvet. They can be easily removed and washed to reduce allergen and dust mite build-up. They also help to prolong the life of your bed and pillows. All of our mattress protectors feature an elasticated skirt to fit any depth of mattress.

Products

- **Perfect Balance™** The best mattress and pillow protectors in the Fine Bedding range; offering luxuriously soft, breathable protection.
- **Pure Cotton** A supremely luxurious protector covered in silky soft cotton sateen, filled with soft, breathable cotton.
- **Spundown** Washable at 60°C, Spundown protectors remain wonderfully soft wash after wash.
- **Cotton Touch** Covered in 100% cotton and filled with a soft, cosy filling for a touch of luxury.
- **Complete Care** Soft cotton towelling provides protection against accidents and spills for total peace of mind.
- **Anti Allergy** Available to protect mattress, pillow and duvet, the specially constructed cover creates an impenetrable barrier to dust mites and other allergens, ideal protection for allergy sufferers.

Mattress Toppers

A mattress topper is the ideal way to add luxury and comfort to any mattress or to simply revive an old one. From synthetic to natural, we have a topper for everyone.

Products

- **Goose Feather and Down Dual Layer Topper** A truly luxurious dual layer topper for the perfect combination of comfort and support.
- **Duck Feather and Down Topper** A duck feather and down filled topper for ultimate sleeping comfort.
- **Perfect Comfort Topper** A soft, luxurious cluster fibre filled topper for optimum support and comfort.
